You Wont See Me

When I call you up, your lines engaged
I have had enough, so act your age
We have lost the time that was so hard to find
And I will lose my mind, if you wont see me
You wont see me

I dont know why you should want to hide
But I cant get through, my hands are tied
I wont want to stay, I dont have much to say
But I can turn away if you wont see me
You wont see me

Time after time you refuse to even listen
I wouldnt mind if I knew what I was missin

Though the days are few, theyre filled with tears
And since I lost you, it feels like years
Yes, it seems so long since youve been gone
And I just cant go on, if you wont see me
You wont see me

Time after time you refuse to even listen
I wouldnt mind if I knew what I was missin

Though the days are few, theyre filled with tears
And since I lost you, it feels like years
Yes, it seems so long since youve been gone
And I just cant go on, if you wont see me
You wont see me
