## Annette Funicello, Blame It on the Bossa Nova

I was at a dance when she caught my eyes Standin' all alone lookin' sad and shy We began to dance swayin' to and from And soon I knew I'd never let her go Blame it on the bossa nova With it's magic spell Blame it on the bossa nova That she did so wellcc Oh it all began with just one little dance But soon it ended up a big romance Blame it on the bossa nova The dance of love Now was it the moon No,no, the bossa nova Or the stars above No,no, the bossa nova Now was it the time Yeh, yeh, the bossa nova The dance of love Now that little girl is my bride to be And we're gonna raise a family And when our kids ask how it came about I'm gonna say to them without a doubt Blame it on the bossa nova With it's magic spell Blame it on the bossa nova That she did so well Oh it all began with just one little dance But soon it ended up a big romance Blame it on the bossa nova The dance of love
