

Annie, Gimme Your Money

I guess you know what I mean
You tried everything you could to make a girl happy
Some say it is a pathetic fool
Buying her expensive gifts every second day
But as you probably understand she never said no
to a gold chains or tasty white chocolate
Even though she knew, he couldn't afford it
Well some girls just can't get enough, more and more and more
Always hungry for more

Gimme your money
Gimme your money
Don't wanna do it
no, I don't think it's funny

Gimme your money
Gimme your money
Don't wanna do it
Your attitude ain't funny
No-

I could buy myself a car...
I could buy myself a bra...
Gimme what I want
Gimme what I need
Money's what I want
Money's what I need

Gimme your money
Gimme your money
Don't wanna do it
no, I don't think it's funny

Gimme your money
Gimme your money
Don't wanna do it
Your attitude ain't funny
No-
