

# Annie, Gimme Your Money

I guess you know what I mean  
You tried everything you could to make a girl happy  
Some say it is a pathetic fool  
Buying her expensive gifts every second day  
But as you probably understand she never said no  
to a gold chains or tasty white chocolate  
Even though she knew, he couldn't afford it  
Well some girls just can't get enough, more and more and more  
Always hungry for more

Gimme your money  
Gimme your money  
Don't wanna do it  
no, I don't think it's funny

Gimme your money  
Gimme your money  
Don't wanna do it  
Your attitude ain't funny  
No-

I could buy myself a car...  
I could buy myself a bra...  
Gimme what I want  
Gimme what I need  
Money's what I want  
Money's what I need

Gimme your money  
Gimme your money  
Don't wanna do it  
no, I don't think it's funny

Gimme your money  
Gimme your money  
Don't wanna do it  
Your attitude ain't funny  
No-
