

Annie, Happy Without You

"Without you, yeah
Come on"

It took a long time
But I'm back again for good
It really hurt me
But now I finally understood
The day I left you
Must be the greatest in my life
I hear without you
There's only peace around, no fight
I tried so hard to
Oh doing everything I could
Manipulated
Made to think I was no good
In your possession
Every day was a bad dream
So have then
Well I was young and sixteen

Oh...
He was my honey
He was my honey
Happy without no honey

Oh...
He was my honey
He was my honey
Happy without you honey

"Funny how things change, yeah?
Yesterday would all be a lie
I told you
Now it's all good"

I'm feeling down
It took a time
It took a time for me to heal for what
I thought was love
But I was wrong
Blinded by your flashy love
When I was weak
And you were there
Well it was obvious you did not care
About the one
No you don't bother
Well I'm happy without you, honey

Oh yeah they told me
You should be careful what you do
They only use you
For his pleasures and absurds
The love I gave you
It was the last that you deserved
Call us a nice time
To own somebody, that's absurd

Oh...
He was my honey
He was my honey
Happy without no honey (happy without you honey)

Oh...
He was my honey

He was my honey
Happy without you honey (oh oh oh happy without you)

Oh...
He was my honey
He was my honey
Happy without no honey

Happy without you
I'm happy without you
I'm happy without you, boy
