Annie, Heartbeat

There was a time Everybody was around And I was dancing with you

We all went down To the party Friday night And had a drink there or two

Oh what a heap Of a love and heartbeat It's electricity

Majestic sound Round and round and round Glad you're next to me

Feel my heartbeat Drumming to the beat Love the symphony

Feel my heartbeat Drumming to the beat Love the melody Come see

Feel my heartbeat Drumming to the beat Love the symphony

Feel my heartbeat Drumming to the beat Love the melody Come see

Time after time Everybody came around And I was dancing with you

Don't know your name Making me ashamed To feel the way that I do

The lights went out Couldn't be without It was the place to be

I won't forget Greatest dance I had When I was dancing with you

Feel my heartbeat Drumming to the beat We all want it now

Feel my heartbeat Drumming to the beat We all want it now Somehow

Feel my heartbeat Drumming to the beat Love the symphony

Feel my heartbeat

Drumming to the beat Love the melody Come see

Feel my heartbeat Feel my heartbeat Feel my heartbeat now

Feel my heartbeat Feel my heartbeat Feel my heartbeat now somehow

There was a time Everybody was around And I was dancing with you

Don't know your name Making me ashamed To feel the way that I do

The lights went out Couldn't be without It was the place to be

I won't forget Greatest dance I had When I was dancing with you
