

Annie, Kiss Me

Kiss me baby (kiss me)
Kiss me now (kiss me now)
It is your chance
If you want to
I know you want it

Kiss me baby (kiss me)
Kiss me hard (kiss me now)
If you want to
You know I want you
I know you want me

Kiss me, kiss me, kiss me
I won't be here tomorrow
Kiss me, kiss me, kiss me
The time is running fast

I look at you (I look at you)
You look at me (you look at me)
Let's get together
Just for one night (for one night)
You and me now

We both look gorgeous
We want each other (we want)
Just for one night (just for one night)
You and me ah... (you and me)

(Kiss me baby)
(Go on)
(Kiss me now)
(Kiss me baby)
(Want me)

My eyes have seen you (when you are)
Standing, you're tall (you look at me)
Don't tell me stories
Don't tell me lies
Live for the night

Kiss me

Kiss me, kiss me, kiss me
I won't be here tomorrow
Kiss me, kiss me, kiss me
The time is running fast

Kiss me, kiss me, kiss me (kiss me now)
I won't be here tomorrow baby (kiss me now)
Kiss me, kiss me, kiss me (kiss me now)
The time is running fast (Ah, kiss me)

Kiss me now
Just for one night (kiss me)
Kiss me now (you and me now)

Ah, kiss me
Tonight
Kiss me
Kiss me
Kiss me
Kiss me
Kiss me
Kiss me
