

Annie Lennox, Keep Young And Beautiful

What's cute about a little cutie?
It's her beauty, not brains...
Old father time will never harm you
If your charm still remains.
After you grow old baby
You don't have to be a cold baby...

Keep Young and Beautiful
It's your duty to be beautiful...
Keep young and beautiful
If you want to be loved!
Don't fail to do your stuff
With a little powder and a puff.
Keep young and beautiful
If you want to be loved.

If you're wise, exercise all the fat off
Take it off - off of here, off of there...
When you're seen anywhere with your hat off
Wear a Marcel wave in your hair...

Take care of all those charms
And you'll always be in someone's arms.
Keep young and beautiful
If you want to be loved.

If you're wise, exercise all the fat off
Take it off - off of here, off of there...
When you're seen anywhere with your hat off
Wear a Marcel wave in your hair...
Hahaha

Keep young and beautiful
It's your duty to be beautiful
That's right s
Keep young and beautiful
If you want to be loved
Keep young and beautiful
If you want to be loved
Boo pee doo
