

# Annie Lennox, Keep Young And Beautiful

What's cute about a little cutie?  
It's her beauty, not brains...  
Old father time will never harm you  
If your charm still remains.  
After you grow old baby  
You don't have to be a cold baby...

Keep Young and Beautiful  
It's your duty to be beautiful...  
Keep young and beautiful  
If you want to be loved!  
Don't fail to do your stuff  
With a little powder and a puff.  
Keep young and beautiful  
If you want to be loved.

If you're wise, exercise all the fat off  
Take it off - off of here, off of there...  
When you're seen anywhere with your hat off  
Wear a Marcel wave in your hair...

Take care of all those charms  
And you'll always be in someone's arms.  
Keep young and beautiful  
If you want to be loved.

If you're wise, exercise all the fat off  
Take it off - off of here, off of there...  
When you're seen anywhere with your hat off  
Wear a Marcel wave in your hair...  
Hahaha

Keep young and beautiful  
It's your duty to be beautiful  
That's right s  
Keep young and beautiful  
If you want to be loved  
Keep young and beautiful  
If you want to be loved  
Boo pee doo
