

# Annie Lennox, Stay By Me

Stay by me  
And make the moment last.  
Please take these lips  
Even if I have been kissed  
A million times...

And I don't care if there is no tomorrow  
When I could die here in your arms  
Even if the stars have made us blind  
We're blind...  
We're blind...  
So blind in love.

Sweet darling  
Don't you know  
That we're no different to anyone?  
We stumble  
We falter  
But we're no different than anyone.

And all the winter snow has melted down  
Into a pool of silver water.  
And we're standing in a thunder cloud  
Dark as your hair...  
Dark as your hair.
