

ANOHNI, Sliver Of Ice

Now that I'm almost gone
Sliver of ice on my tongue
In the day's night
It tastes so good, it felt so right
For the first time in my life

The cold ice on my tongue
Makes its way towards oblivion
How sweet the vista, the portal view
On my way to black and blue

I couldn't believe it 'til tonight
This whole place made of light
I made myself a home
Don't know what's wrong
Don't know what's right
I belong here as animals might

And the taste of water on my tongue
It was cool, and it was good
I never knew it before

I love you so much more
