

Another Level, Together Again

chorus

we'll be together again
we'll be the same as back then, back then
i had the love u were looking for
im telling u baby,we'll meet once more
we'll be together again
we'll be the same as back, back then
still got the love u were looking for
im telling u baby we'll meet once more

The first time i saw u babe, girl u knocked me off my feet
must of been the curiosity, cupid drew ur eyes to me
u were giving me a hard time,hanging with ur gang time crew
it will take forever babe, til u let me give my game to u
no sense, your friends wanna get rid of me whats it gonna be?
its to late hearsay, u heard some rumours then u slipped away

chorus

Tell me what you doing now, what u like before u sleep?
I once swore to do u right, that is a promise i intend to keep
so tell me do u have a boyfriend and would he ever let u go?
the thought of it is killing me, baby get on the floor cos i need to know
no sense your friends wanna get rid of me whats it gonna be?
its too late hearsay u heard some rumours then u slipped away

chorus

show me love, its only u
on my mind its only u
its ur call what u wanna do
u gotta be down and u gotta be true
show me love, its only u
on my mind, its only u
its ur call what u wanna do
anytime baby,anytime baby
