

Anouk, Are You Kidding Me

Now I don't know what to do cause I'm still in love with you.
And after all I have done can you tell me what's going on.
I can't understand why you wanna treat me so cold.
I guess I was a fool for loving you.
And I guess I was a fool for thinking you were loving me too.
Should of knew you were breaking my heart in two.
I guess I was a fool for needing you.
And I guess I was a fool for thinking that you were needed me too.
Should of knew 'bout the things you were taking me through.
Feel like I'm losing my mind just a fool to think your love could be kind.
My heart aches, so hard to let you go and I don't know which way to go.
Standing here all alone, with no one to call my own girl look what you've done to me.
Yeah you hurt me got me living in misery.
(Chorus)
And girl my heart can't take this pain and
There's no way I can live this way feeling just like a fool
And girl you know you got me going insane.
There's nothing left to say sorry that it had to be this way.
But yet still I feel you weren't keeping it real.
Girl why did you lie to me.
(Chorus Out)
