

# Anouk, With You

When I look into your eyes  
You leave me all those butterflies  
I should ask myself again  
Is it worth the trouble through life  
Cause I do not know  
What to do with your smile  
Though years passed you  
If I only could replace  
All the thoughts I have of you  
In my mind

[Chorus:]

But I don't know  
And I don't care what you do  
I'm just so glad to see you again  
And I don't really understand  
Why the touch of your hand  
Makes my arms wanna hold you  
Cause I am so in love with you  
If I could do it all again  
I'd say the things I really meant  
And all I can do  
Sit and wait  
Knowint you will say  
It's a little too late for you  
Yeah I noticed

The ring on your finger  
Guess so many years  
Have passed by  
If I only could erase  
All the thoughts I have of you  
In my mind

[Repeat Chorus]

Dreaming as years go by  
I'm just another fool  
Out in the moonlight  
Hiding the tears  
I can't stop thinkin' 'bout  
What if you weren't to be  
For me  
But I don't know  
And I don't care, what it is?  
But I am so glad to see you again  
And I don't really understand  
Why the touch of your hand  
Makes my arms wanna hold you  
Yes, I am still in love with you  
Yes, I am  
In love with you
