

Ant And Dec, Shout

Ant And Dec

The Cult Of Ant And Dec + Pj And Duncan
Shout

Start screaming just be bold
Everybody likes to see the freaks explode
They always know better than you
But they never really know what to do
The situation's like a loaded gun
If you don't wise up you could be the one
Nobody really likes your ways
But, hey man it doesn't matter anyway
You talk and talk
Their mind's made up
You beg and pray
the only way they're gonna listen today is

Shout, C'mon let it out
Shout, C'mon let it out
Shout, C'mon let it out
Shout, C'mon let it out

Still laughing, don't know why
If you look outside it'll make you cry
I still think this is one big joke
But there's kids on the street and they're getting smoke
The news brings you down
Hey what can I say
Go and turn it off
But there's no getting away
Never paid attention to the man at stake
You better pay attention now 'cos it's too late
Shout, C'mon let it out
Shout, C'mon let it out
Shout, C'mon let it out
Shout, C'mon let it out
