

# Ant Banks, Only Out to \*\*\*\*

I'm the auntie-fucking, sister-fucking, cousin-fucking  
And the motherfucking Mack Goldie  
So nigga flip the 40 and peep  
While I speak about the freaks who want to gank you  
She went to you after sucking my dick, I said, "Bitch, thank you"  
Living with a nigga you ain't getting nothing out of me  
Maybe one or two nuts, I doubt three, bitch  
I ain't the one to break up a happy home  
Stay with that punk, while he pays you I get my nappy on  
Fuck you in your booty hole, pussy hole, and mouth hole  
'Cause I'm the mack hard cold like the South Pole  
As you can see I get my tramp on  
I go up in more pussies in a month than a tampon  
Suck it, like you fuck it, then gargle it  
Or you'll get banked like Wells-Fargo, bitch  
I'm taking a pit quick for pigeons making my dick brit  
Which ho will the Goldie get with?  
To fill up a cock mouth with this liquid?  
Pimp down for pussy is making paper  
Put your bitch to work and stop being a ho saver  
I'm a seven day mack from Friday through Friday  
If I can't meet you and fuck you within a week, bitch hit the highway  
Bitch, I don't love you  
(I'm only out to fuck)  
Hoes on my tip  
(I'm only out to fuck)  
Bitch, suck my dick  
(I'm only out to fuck)  
Ha, you know what I'm saying bitch?  
Bitch, I don't love you  
(I'm only out to fuck)  
Hoes on my tip  
(I'm only out to fuck)  
Bitch, suck my dick  
(I'm only out to fuck)  
Ha, you know what I'm saying bitch?  
You see a bitch ain't nothing but a word to me  
So bitch don't give me that third degree  
Saying you love me, do I love you back?  
I'm an ice-cold, hard ass Oakland Mack  
I don't love you, it's not your turn, bitch  
You want love from a pimp, you got to earn this  
And for the moment, you ain't even coming close  
You couldn't get a job on the ho stroll  
I know you're fine, but you're flat broke  
So hit the dank, suck my dick and just choke  
I'll bust a nut in your contact lens  
Talk shit in your face cause you don't make sense  
You want to see me again, when and where?  
'Cause all hoes can't fuck with real players  
You'd better check yourself and find a sucker, bitch  
'Cause Shorty the pimp don't play that shit  
Ha, yeah bitch, fuck that love affair shit  
Just hit it, split it, quit it, and forget it  
Ha  
(I'm only out to fuck)  
The pussy, the pussy  
(I'm only out to fuck)  
Bitch, suck my dick  
(I'm only out to fuck)  
Ha, you know what I'm saying bitch?  
Cool, the third verse  
Fine ass, gold digging ass nurse  
She was about 23

Told my auntie that she had eyes for me  
Dark skinned and liked chocolate ice cream  
She could be the head of my team, you know what I mean?  
She had ass, like boo-yaa  
And when she see me, she great me with a big smile  
Bitch, tried to fade me like this  
Started talking about her bills and shit  
She gave me the pussy, it was cool  
Then she said her rent was due, ha ha  
I had to tell the bitch, I ain't that kind of nigga  
And I ain't gonna be the victim of a gold digger  
But it's cool bitch, I got my nut  
Let me get dressed, cut, because I'm only out to fuck  
Ha ha, no hand outs, slut  
You know what's up, all you getting is a mouthful of nut  
Bitch, I don't love you  
(I'm only out to fuck)
