

# Anthem, Screamer

Communication is a lot like the wind when i speak  
its like no one understands and  
im left with empty hands forever I can't speak  
So many things ill never learn  
you can't cross bridges that you burn  
Why is life such an issue when your mine  
Why are the answers to my problems hard to find  
So hard to find So hard to find  
Don't forget to buckle when you fall  
beneath the pressure of the seconds  
when your life became a screamer  
Staring at the sea things become so small  
i want movies of my dreams and pictures on my wall  
Pictures on my wall  
Why is life such an issue when your mine  
Why are the answers to my problems hard to find  
So hard to find So hard to find  
You say that im a dreamer I say you're a non believer  
Take out the light Take out the light start screaming  
I'm dreaming I'm a dreamer  
No one belives me and you don't either Tell me what to do  
Take out the light Take out the light Take out the light  
Take out the light start screaming Take out the light  
Take out the light Take out the light  
Take out the light start screaming  
Take out the light start screaming  
Take out the light start screaming  
Take out the light start screaming Yeah
