Anthem, Screamer

Communication is a lot like the wind when i speak its like no one understands and im left with empty hands forever I can't speak So many things ill never learn you can't cross bridges that you burn Why is life such an issue when your mine Why are the answers to my problems hard to find So hard to find So hard to find Don't forget to buckle when you fall beneath the pressure of the seconds when your life became a screamer Staring at the sea things become so small i want movies of my dreams and pictures on my wall Pictures on my wall Why is life such an issue when your mine Why are the answers to my problems hard to find So hard to find So hard to find You say that im a dreamer I say you're a non believer Take out the light Take out the light start screaming I'm dreaming I'm a dreamer No one belives me and you don't eitherTell me what to do Take out the light Take out the light Take out the light Take out the light start screaming Take out the light Take out the lightTake out the light Take out the light start screaming Yeah
