

Anthony Evans, Good Enough

Verse1:

Hold on you got the wrong guy
And I'm wondering why you don't seem to see
The job at hand needs a better man
But for some crazy reason you're calling me
Overwhelmed and underprepared
It's written on my face
I'm scared
But I then I hear you call out to me.

Chorus:

You don't have to be
Good enough
This love is for free
And it's more than enough
I will be your strength
In all you say
In all you do
My love will make you good enough.

Verse2:

You don't have to be capable
Just be available to follow where I lead
Whatever, whenever, wherever
Oh, you'll never believe all the things you can do through me
So when the big world makes you feel small
Hold your head up high and walk tall
'cause this is where the good news begins.

Chorus

Bridge:

Blessed are the poor
They will inherit the earth
And the weak, in him you'll find your true worth
He says come all you weary
Come get closer to me
You don't have to be good enough.

Chorus
