

# Anthony Hamilton, Everybody

Said it's alright  
whoaa whoaaaa

[Verse 1]

We have seen some things in our lives, we have some long and solomn roads, thats how i know  
its alright to cry, go on and ease a heavy load, pray hard, walk tall, do right, find love hold on for  
life, lord i know that you are there, I feel a burnin in my bones, free us from the lions den and take u

[Chorus]

Everybody needs love in their lives  
everybody needs a little sun to shine  
go on let love come inside your life  
shine down on me

[Verse 2]

The sheppard and his angels guard our life, go on joy comes early morn, the praise of the man  
will sure subside, pain walk away cause here come love, smiling, faithful, alright, find love hold on f  
life  
lord I know that you are there, I feel a butnin in my bones, free us from this lions den, and take us h

[Chorus]

Lord rain down on me and let your joy ease my pain, take me from this lions den and let me smile a

[Chorus]

[repeat]
