

Anthony Hamilton, I Cry

[Verse 1]

Oooh, ooooh

Oooooooh, ooooooh

Yea, yea, yeah

Im so tired of all the love wounds

That u left girl when u went away

Sitting here fighting a battle that was over when I had to relocate

You see I aint much for letting go, no baby I gotta hold on

Cuz trials, tribulations, and relationships have all made me strong

[Chorus]

Girl I cry

These tears that I shed are the trail to bring u home

Girl I cry

Mama told me that a mans own tears can make him strong

Girl I cry

I will sit around here and wait for u to come home

I cry for u, I'll cry

I cry for u, I'll cry

[Verse 2]

Away from u and a baby

Girl thats to much for me

I missed choir practice on saturday

Trying to catch the last midnight movie

See I just burried my mother

And I'll be damned if I loose u

Until time bring u home again

This is what I'll do

[Chorus 3x]

Oh, sometimes

Oh sometimes

I sit around the house

Yea I sit around the house by myself

Oh yea, yea

Said anytime
