[JD]

Ladies & Gentlement

We got Anthony Hamilton in the house tonight he just came from off tour..he got a little  
Somthing he wanna say

[verse 1]

I know you love me

I can tell by the that you kiss me tight when you hug me

Took me to school the very first day u gave me a piece of butterscotch sent me on my way

I know its frightening now i can tell by the pain in your eyes when the rent was late again To

Strong to fold being on your own Lord bless her soul....mama knows love

[Chorus]

Mama knew love like the back roads

Used to fall asleep daily in her work clothes

Mom swear you never have to worry again

Mama knew love like the back streets

Used to wipe pee just to make the end meet

Mom swear you never have to worry again

[Verse 2]

Up bright and early scrambled eggs swellin' in ya legs bills on the bed

Still you managed to show me a smile

Then walk to work about two or three miles

Mom I'm gonna struggle witcha

I'm gonna help you see the bigger picture

You gave me something no one could take away

You made it so easy to say...I love ya mama

[Chorus]

[Bridge]

Mama knew love she gave me love

Crazy love so much love

Mama knew love she gave me love

Crazy love so much love

[Chorus]

[Repeat 3X]
