

# Anthrax, Medusa

Endless curse, blood runs cold  
Evil stare, will turn your flesh to stone  
Land of doom, world of sin  
All subside, don't venture near  
The island where she lives  
Oh, she'll suck you in

Destroyer of life, Demon  
Oh I'm ready to strike, Gorgon

Serpents bride, the end awaits  
Human prey, no swords or armor  
Shield you from your fate  
Hey you, you can't escape  
Wicked smile, full of lies  
Head of snakes, approach her cave  
But don't look in her eyes  
Oh, her eyes

Sieze, appease, deceive, die

Medusa, she's staring at you  
Medusa, with her eyes

Evil witch, cast her spell, seducing you  
She'll take you to the very depths of hell  
Cannot move, no eyes to see, a statue now  
For all eternity Medusa laughs at you  
And you're her slave

Medusa, she's staring at you  
Medusa, with her eyes  
Medusa, oh she's cold
