

# Anti-Flag, A New Kind Of Army

LOOK BACK... on history, nothing much has changed  
THOUSANDS... of soldiers of all countries, all marching the same  
Every nation's leader says that our side is right  
Every nation's leader says the time has come to fight  
But they use the common people to settle their scores  
IT'S TIME THAT WE REFUSE TO FIGHT IN ANY OF THEIR WARS!

We're looking to start a new army, (that's) too smart to fight, too smart to die  
We're looking to start a new army, (that's) too smart to fight, too smart to kill  
For you  
For you!

JOIN NOW... the ranks of all nations who refuse to go to war  
REFUSE... to pull the trigger of a gun for leaders 'round the world  
I'd rather fight to spread some tolerance & unity  
Than buy into their nationalistic brainwashing  
Killing mothers, fathers, sisters, brothers, common human beings  
Not savages but people, like you, like me!

We're looking to start a new army, (that's) too smart to fight, too smart to die  
We're looking to start a new army, (that's) too smart to fight, too smart to kill

We're looking to start a new army, (that's) too smart to fight, too smart to die  
We're looking to start a new army, (that's) too smart to fight, too smart to kill  
For you!

We're looking for a few good men  
We're looking for a few good womyn  
Who are not afraid to fight against tyranny  
But who refuse to fight....with tyranny...tyranny  
(Refuse!) [x15]

We're looking to start a new army, (that's) too smart to fight, too smart to die  
We're looking to start a new army, (that's) too smart to fight, too smart to kill

We're looking to start a new army, (that's) too smart to fight, too smart to die  
We're looking to start a new army, (that's) too smart to fight, too smart to kill  
FOR YOU!  
FOR YOU!  
FUCK YOU!
