

# Anti-Flag, Born To Die

Now he's gonna get it bad  
As his dad bailed him out of jail  
Leading him from the station,  
By a handful of his hair, he said,

"I just don't know what to do with you boy,  
I just don't understand!?!?!?  
What the hell makes you act like this?"  
And looking back, this lost punk sadly said,

"I found it dad,  
I found the meaning of life.  
You're only born so you can die."  
So you can die, so you can die, so you can die

She was showered with money  
She was showered with jewels  
But her dad beat her every day and night  
And there was nothing she could do  
She cut her wrists at seventeen

Everyone wondered why  
She had it all,  
She was rich and pretty,  
But alone each night she'd cry

She found it now,  
She found the meaning of life  
You're only born so you can die  
So you can die, so you can die, so you can die, yeah

They found it now,  
They found the meaning of life  
You're only born so you can die

They found it now,  
They found the meaning of life  
You're only born so you can die

So you can die, so you can die, so you can die  
Die, die  
So you can die, so you can die  
So you can die, so you can die
