

# Anti-Flag, Bring it to and end

We've got just 30 seconds  
to sing to you about...  
Nationalism, fascism,  
corporate greed, hate  
Nazis and the president.  
The downfall of the state.  
We've got just 30 seconds  
to sing to you about...  
Sexism, corporate whores,  
The Pope, and rape.  
Christian fucks,  
right wing whores.  
The problems that we face.  
We've got to bring it to an end...
