

Anti-Flag, Daddy Warbux

Our thoughts and our lives
Controlled by pocket books.
Of rich politicians. Like a rich Daddy Warbux,
They pay for the deaths of those who speak of revolution,
While they keep us at each other's throats,
While we still pay their tax notes.

...HEY! HEY!....HEY! HEY!...HEY! HEY!...

Revolting against the few - THE FEW!
The rich, bigoted the few - THE FEW!
They pay for the deaths of those - THE FEW!
So we're revolting against the few.

Stand up!
Don't fall!
We don't live!
We don't die for them...

Revolting,
Revolting,
Revolting,
Revolting,
Revolting,
Revolting,
Revolting,
Revolting,
Revolting,
Revolting!

Revolting against the few - THE FEW!
The rich, bigoted the few - THE FEW!
They pay for the deaths of those - THE FEW!
So we're revolting against the few.

Revolting against the few - REVOLT!
Revolting against the few - REVOLT!
Revolting against the few - REVOLT!
Revolting against the FEW!...
