

# Anti-Flag, Davey Destroyed The Punk Scene

He thinks because he's got spikes on his leather,  
That he's the punkest, he thinks he's better!

He walks around with his nose in the air,  
The only thing bigger than his ego is his hair

He thinks that uniform he's wearing  
Is a good excuse for his snobby glaring

Davey destroyed the punk scene  
He thinks that uniform he's wearing,  
Makes him a punk, yeah  
Davey destroyed the punk scene

I don't know when punk became a uniform,  
I always thought uniforms were for the army  
But i guess he's got punk rock hair,  
He's paid a fortune for his gear

Davey destroyed the punk scene  
He thinks that uniform he's wearing,  
Makes him a punk, yeah  
Davey destroyed the punk scene

We've got to try to stick together  
Oi! Oi!  
We're not supposed to fight each other  
Oi! Oi!  
Stand against the government  
But stand up for ourselves  
If this ignorance continues  
Punk will be lost on the book shelves

What happened to punk rock kids uniting,  
Now we're competing, now we're fighting.  
He drives the younger kids away,  
Sacrificing us for his image,  
Punk rock kids will pay

Davey destroyed the punk scene  
He thinks that uniform he's wearing,  
Makes him a punk, yeah  
Davey destroyed the punk scene

IT'S ALREADY DESTROYED!
