

Anti-Flag, Marc Defiant

Tougher than a rock,
But kinder than a saint.
Rugged individual, fighting hate.
He's the punkest brah in town-
he's got the back of the kids.
When you fuck with the PUNK,
then you're fucking with...

Marc Defiant

Only just a teen when he left
home for the city.
Kissed his loving Ma' goodbye
and said "I'm off to be somebody!"
Father's spirit guiding him,
he hooked up with A-F.
He hit the road with THE CODE
and he's never looking back...

He's Marc Defiant.

YEAH!
Marc Defiant

ALL RIGHT LET'S GO!

Marc Defiant! [The Defiant!]
