

# Anti-Flag, Mumia's Song

Arm in arm, fists held high  
"SET THEM FREE!" - our battle cry  
Take back the streets  
And our rights to free speech  
Locked up and put away  
For fear of what they'll say

Crooked cops plus crooked judges, don't equal justice  
Free all political prisoners  
Racist cops plus racist judges, don't equal justice  
Free all political prisoners

Brick by brick, wall by wall  
Wont sit back, and let our brothers and sisters fall  
The unjust justice system  
Our voice will overthrow

Crooked cops plus crooked judges, don't equal justice  
Free all political prisoners  
Racist cops plus racist judges, don't equal justice  
Free all political prisoners

Brick by brick, Wall by wall.  
We're gonna free Mumia Abu-Jammal  
Brick by brick, Wall by wall.  
We're gonna free Mumia Abu-Jammal  
Brick by brick, wall by wall  
FREE MUMIA ABU-JAMMAL!!!!

No justice, no peace, no racist police.  
No justice, no peace, no racist police.  
No justice, no peace, no racist police.  
No justice, no peace, no racist police.

Free all political prisoners  
Free all political prisoners  
Free all political prisoners
