Time to see the world as a whole!
Time to light the fire with the fuel!
That's a conscious movement,
in our hearts.
Everywhere you look red white and blue
Everywhere you look they're fooling you.

Every revolutionary
was once considered an enemy
Cointel undermined the life
Of Dr. Martin Luther King
Everywhere you look red white and blue
Everywhere you look they're fooling you.

One people, one struggle!
Stand United, Stand Peaceful!
One people, one struggle.

Time to see the world as a whole.
Time to light the fire with the fuel.
That's a conscious movement,
in each and every one of your hearts!
Everywhere you look red white and blue
Everywhere you look they're fooling you.

One people, one struggle!
Stand United, Stand Peaceful!
One people, one struggle.

One people, one struggle!
Stand United, Stand Peaceful!
One people, one struggle.

The union,
Of free thinking,
Colors don't,
Mean liberty.
The union,
Of free thinking,
The union,
Of free thinking.
