

Anti-Flag, Protest Song

And so the time has finally come,
The Bourgeoisie have signed the war decree with proletariot blood.
And that blood which flows from their pen,
Is the closest that they've ever been to the people...

You've been to our shows, You've sung our songs,
Now we are asking you to add to each chorus you've sung and...

Protest against: injustice, state terror,
On the streets of the world for the dis-empowered.
You've sung at our shows, cheered right over wrong,
Now it's time to hit the streets back up the words you've sung
Because our voices alone this time will not get it done...

Looking to stop a rogue regime?
Well the first one that we must confront is WASHINGTON DC!
The Bush "Terror War", unconstitutional, unconscienceable
WE REFUSE TO LET HIM KILL IN OUR NAME FOR OIL!

We know their game, know they're corrupt.
It's up to us to hit the streets and time to take our rights back!!
Yeah!

Protest against: injustice, state terror,
On the streets of the world for the dis-empowered.
You've sung at our shows, cheered right over wrong,
Now it's time to hit the streets back up the words you've sung.
Because our voices alone this time will not get it done...
Because the people united will get it done...

Protest against: injustice, state terror,
"On the streets of the world for the dis-empowered"
(ONE, TWO, ONE, TWO, THREE, FOUR)
"Protest against: injustice, state terror,
On the streets of the world for the dis-empowered."
"Protest (protest) against (against): injustice, state terror,
On the streets of the world for the dis-empowered."
"Protest (protest) against (against): injustice, state terror,
On the streets of the world for the dis-empowered"
