Where kids cut each other with  
Razor blades and knives?&quot;

To the fucked up stupid things you say,  
We say: &quot;Right on! right on! right on! right on...!&quot;

Why don't you move to russia?&quot;

Drinking's my entire life.  
You've gotta start drinking!&quot;

To the fucked up stupid things you say,  
We say: &quot;Right on! right on! right on! right on...!&quot;
