

# Anti-Flag, This Is The End (For You My Friend)

Seems every station on the TV  
Is selling something no one can be  
If every page was torn from the magazine  
would cash still drive the media machine?  
The products, damage and pursuit are endless  
Identity can leave you selfless

We will not witness this anymore  
This is the end for you my friend  
I can't forgive, I won't forget  
On and on, we sing our songs and  
On and on, the wars wage on and  
On and on, we sing our songs for more  
For more

Your eyes are open but you can't see  
Your mouth is moving but you don't speak  
A blitzkrieg of images to break your will  
I hope you choke on every pill

We will not witness this anymore  
This is the end for you my friend  
I can't forgive, I won't forget  
On and on, we sing our songs and  
On and on, the wars wage on and  
On and on, we sing our songs for more

We will not witness this anymore  
This is the end for you my friend  
I can't forgive, I won't forget...

This is the end for you my friend  
I can't forgive, I won't forget  
On and on, we sing our songs and  
On and on, the wars wage on and  
On and on, we sing our songs and  
On and on, the wars wage on and  
On and on, we sing our songs and  
On and on, your wars wage on and  
On and on, we sing our songs for more  
We sing our songs for more
