

# Anti-Flag, We Want To Be Free

All night out on the streets  
I got the back of all my friends  
We never want to go back home  
Never want the night to end

Because we want to be... FREE!  
We want to be...FREE!

The schools that they send us to are prisons  
The same can be said for their churches too  
I don't want my mind or my arms tied in bondage  
I don't want to be another cloned state tool  
When I'm with my friends, when I'm at a show  
That's when everything is OK  
That's why I follow my heart each and every single day  
Single day... EVERY SINGLE DAY!  
Every day  
Every day
