We Are The League

Another boring night and I'm feeling pissed,  
My heads fucked up and I'm in a mess  
Too many drugs have made me high  
I want to cause havoc, I want to die.

We are the League, with the extra man  
We are the League, we are the anti band  
So don't you say you're feeling bored  
The League are here and we have scored

We are the League  
We are the League  
We are the League  
The Anti Nowhere League
