

Antigone Rising, Don't Look Back (Radio Edit)

Heard you talk about leavin'
Heard you talk about leavin' before
Heard you talk about givin' up on me
Heard you talk about changin'
But talk is cheap and I've heard it all before
It used to be that I'd fall apart but that don't work no more
'Cause you can't leave half way and I can't let you stay
Take your promise, take your pain
Take your restless heart
If you go, go all the way, don't look back
'Cause in my heart, you've been gone so long
That I won't miss you that bad
If you go, go all the way, don't look back
She asked me why I'm not crying
'Cause I did all of my crying before
I took off my pretty party dress and I don't dance no more
I don't need someone else to make me feel myself
Take your promise, take your pain
Take your restless heart
If you go, go all the way, don't look back
'Cause in my heart, you've been gone so long
That I won't miss you that bad
If you go, go all the way, don't look back
If you go, go all the way, don't look back, yeah
Don't look back, yeah, don't look back
Take your promise, take your pain
Take your restless heart
If you go, go all the way, don't look back
'Cause in my heart, you've been gone so long
That I won't miss you that bad
If you go, go all the way, don't look back
If you go, go all the way, don't look back
Oh and if you go, go all the way, don't look back
I heard you talk about leavin'
Oh, I heard you talk about leavin' before
