

Antoine Clamaran, Keep on trying

I keep on trying to be myself
I keep on trying like nobody else
I keep on trying to be myself
[Come to ***], I keep on trying
Im not trying to be what Im not
I dont wanna see what you got
Im just expressing how I feel
[Without bells ringing] and what is real
Dont [***], for all the sakes
Im not running and Im no flake
Its no use to just wear my believes
[***]
I keep on trying to be myself
I keep on trying like nobody else
I keep on trying to be myself
[Come to ***], I keep on trying
(2x)
No more thinking, this is abuse
[***]
Never thought of that, its natural
Never thought of that, its natural
Dont [***], for all the sakes
Im not running and Im no flake
[Its no use to just wear my believes]
[***]
I keep on trying to be myself
I keep on trying like nobody else
I keep on trying to be myself
[Come to ***], I keep on trying
(6x)
