

Antoine Clamaran, This Is My Goodbye (feat. Fenja)

Call me a quitter, and call me a fool
I roll with the punches baby, do what I need to do
Enough with the crying, enough with the blame
I'm not a coward, I just don't see any point to this game

I say it's over,
You say it's not
Babe I already know this cause I gave you everything that I got
Or maybe it's you, you, you, yeah you
Or mostly it's me
See I need some time to myself indefinitely

This is my goodbye, woah
I tried to let you down easy
(easy, easy, easy, easy)
This is my goodbye
Oh-oh-oh
No it wasn't easy
(easy, easy, easy, easy)

Call me a faker, call me a jerk
I'm sorry you're hurting, but there's no way I can make this thing work
I'm not gonna settle, and neither should you
So find someone better, go on, be strong, don't be a fool

I say it's over,
You say it's not
Babe I already know this cause I gave you everything that I got
Or maybe it's you, you, you, yeah you
Or mostly it's me
See I need some time to myself indefinitely

This is my goodbye, woah
I tried to let you down easy
(easy, easy, easy, easy)
This is my goodbye
Oh-oh-oh
No it wasn't easy
It wasn't easy
(easy, easy)
