Anvil, Backwaxed

Your mommy always said, Don't take those boys to bed It might feel good today but in 9 months you'll pay I know it's your first time, I'm gonna make you feel just fine You say you never did and you're really unprepared Don't you worry, don't you fret I've got a method that ain't thought of yet Put it in and pull it out Slap it on your back and watch it spout I don't think you'll mind if I take ya from behind Get you on your hands and knees, put your mind at ease Feel the throbbing what a treat as the wax begins to heat I think it's almost there, gonna pull it out with care Backwaxed, backwaxed You're being backwaxed Backwaxed, backwaxed You're being backwaxed Backwaxed Ow, I think things are coming through looks good on you Now the shine is on your back Feel the heat of the wax attack Your mommy always said, Don't take those boys to bed It might feel good today but in 9 months you'll pay I know it's your first time, I'm gonna make you feel just fine You say you never did and you're really unprepared Backwaxed, backwaxed You're being backwaxed Backwaxed, backwaxed You're being backwaxed
