Front son, brown blood, I'll lay all of you down son!!!

Recognize a fuckin killa when you be around 'em

Values and ??????

Steroids and alcohol still a fuckin athlete

Cock strong with my jock strap on with the time clock

Bout to run the rock home

Yo ace brew crew and a hole in the clutch and a pocket on the field

And the down gets touhed!!!!

Chorus 2x: Uh oh here I come, here I go,uh oh, jump round jump!!!

Watcha wanna do?!

Watcha gonna do?!

Let me know girl, jump, jump!!!

You can tell by the style of losin

I got all of my adveseries cruisin for a brusin with contusions

Cuts, atserations, broken bones, and open soars

Ripped spleans, sprained ankles, and broken noses

I bust the microphones i flip on!!!

I step on the stage and get my grip on

That's when you get you get the skip on!!

It's on and I'm the shit homes!!!!

I fucked around and lost count of bitches I put the dick on

My ??????

And I'm cool when I talk to P

They fuckin call me the home-town hero

Im the center of attention

The topic of the discussion

It's understood they already know with out me sayin nothin

It's been like that since these niggas been down here wearin badges

I'm off the heasy!!!!

I'm the reason for this pimp rap!!!

So I stumble over myself sometimes like I ain't got no mind

I said fuck it dawg I'm over the crowd like the goal-line!!!!!!!!

Chorus

Nigga you just like ten yards

Always the fisrt down

Be the first muthafucka off the bus and the last nigga to clown

Ol' sometime ass nigga ol' fake regular regular everyday common ass

No drama ass nigga

I keep these niggas sippin' on super dick and advil

Punch 'em in their muthafuckin ass and keepin it that real
Ain't nothin you can do to keep a nigga off the score board
