

# Anya Marina, Sociopath

I'm not much for dope or drink  
And that's thanks to Dr. Shrink  
But one thing I can't kick is I can't kick the man.

I'm pathologically addicted  
To what you call a dickhead  
Cheaters and liars seem to light my fire  
And God I've gotta get clean.

So I did Yeah, I did.

Chorus:  
I took a bath with a sociopath  
I took a bath with a sociopath  
And I'll be sorry but for now I laugh about it, all night long

Cause I like a little coffee with my cream  
I like a little dirty with my clean  
And my baby's really filthy  
My baby's really somethin'  
And my baby can dysfunction

(Chorus)

All night (he's really something)  
All night (he can dysfunction)  
All night long

Cause I like a little coffee with my cream  
I like a little dirty with my clean  
And my baby's really filthy  
My baby's really somethin'  
And my baby can dysfunction

(Chorus)

All nightall nightall night long.
