## Ape, Brain D.

A young kid meaning to do no harm Was walking down the street but didn't get far There was a fight between the punks and the jocks They ran him down those ignorant fucks One kid dies and a villain goes free What the fucks wrong with society Live in fear and with any luck We wont get hit by a fuckin truck It's a shame what happened to Brian D Such a sad sad thing that had to be seen Shame what happened to Brian D A good kids life is gone in a flash I didn't know this world was so fuckin bad Unity will work if we just give it a try But until that day more good people will die One kid dies and a villain goes free What the fucks wrong with society Live in fear and with any luck We wont get hit by a fuckin truck It's a shame what happened to Brian D Such a sad sad thing that had to be seen Shame what happened to Brian D
