

# Aphasia, Compromise

I forget  
The taste of&Eacute;  
The smell on your skin  
And I never dreamed  
That I'd see you again  
Love or dreams?  
I can't decide  
There's nothing more for me to say  
I wish I never had to compromise  
I ache to hear your whisper  
As my lips let out a lonesome sigh  
For you  
When I come back to you we lay  
Rediscovering the days when we first found out  
That we fit together perfectly  
We'll fade away together  
Cause I can't stay forever  
Are you O.K?
