

# Aphrodite's Child, Babylon

Fallen fallen fallen  
is Babylon the great!  
Space is getting bounded,  
time is getting late!

Masters fall and wonder,  
people rise and wait  
Fallen fallen fallen  
is Babylon the great!

You don't need a coin,  
I don't have to shine  
We don't know the reason

But I need you madly  
and you need me too  
and we need each other  
need each other  
need each other...

Fallen fallen fallen  
is Babylon the great!  
Space is getting bounded,  
time is getting late!

Masters fall and wonder,  
people rise and wait  
Fallen fallen fallen  
is Babylon the great!

You don't need a coin,  
I don't have to shine  
We don't know the reason

But I need you madly  
and you need me too  
and we need each other  
need each other  
need each other...
