Aphrodite's Child, The Four Horsemen

And when the lamb opened the first seal, I saw the first horse. The horseman held a bow.

Now when the lamb opened the second seal, I saw the second horse. The horseman held a sword.

The leading horse is white, the second horse is red, the third one is a black, the last one is a green.

And when the lamb opened the third seal, I saw the third horse. The horseman had a balance.

Now when the lamb opened the fourth seal, I saw the fourth horse. The horseman was the pest

The leading horse is white, the second horse is red, the third one is a black, the last one is a green.

The leading horse is white, the second horse is red, the third one is a black, the last one is a green.

The leading horse is white, the second horse is red, the third one is a black, the last one is a green.

The leading horse is white, the second horse is red, the third one is a black, the last one is a green.
