

Apocalyptica, Bittersweet

[Featuring Ville Valo & Lauri Ylonen]

I'm giving up the ghost of love
In the shadows cast on devotion.

She's the one that I adore
Creed of my silent suffocation.

Break this bittersweet spell on me,
Lost in the arms of destiny.

Bittersweet.

I won't give up; I'm possessed by her.
I'm bearing the cross; she's turned into my curse.

Break this bittersweet spell on me,
Lost in the arms of destiny,
Bittersweet, I want you (I'm only wanting you)
And I need you (i'm only needing you)

Break this bittersweet spell on me,
Lost in the arms of destiny.
Break this bittersweet spell on me,
Lost in the arms of destiny.

Bittersweet.
