## Apocalyptica, End of Me (feat. Gavin Rossdale)

Rosaries left under the mattress of those memories who could bear the witness

As you slip into oblivion, use it like a weapon

And I'm left to bleed waiting for the moment when you've had your fun

A loaded gun

Take away your broken misery, I cannot wait to waste your memory

This love, this love is gonna be the end of me

Everything I gave is wasted, I'm the one who suffocated

This love, this love is gonna be the end of...

Can't resist poisoning the message

Just a narcissist trapped inside the wreckage

And the sympathy I had is gone deadened by the ceremony

Drama queen stand behind your empire as your kingdom falls all because...

Take away your broken misery, I cannot wait to waste your memory

This love, this love is gonna be the end of me

Everything I gave is wasted, I'm the one who suffocated

This love, this love is gonna be the end of me

Your rescue, my undo

I'm not the one to save you

I'm empty completely

I'm drowning in your shadow

Take away your broken misery, I cannot wait to waste your memory

This love, this love is gonna be the end of me

Everything I gave is wasted, I'm the one who suffocated

This love, this love is gonna be the end of me

Can't chase away your ghost, inside it only grows

Nothing left but misery

This will be the end of me

All the shit that you created, all the scars you celebrated

Couldn't take away your pain

Couldn't resurrect your name

This love will be the end of me, this love will be the end
