

Apocalyptica Feat. Adam Gontier, I Don't Care

I try to make it through my life
In my way there's you
I try to make it through these lies
That's all I do
Just don't deny it
Just don't deny it
And deal with it
Yeah, deal with it
You try to break me
You want to break me
Bit by bit
That's just part of it
If you were dead or still alive
I don't care I don't care
And all the things you left behind
I don't care I don't care
I try to make you see my side
Always try to stay in line
But your eyes see right through
That's all they do
I'm getting tired of these shit
I've got no room when it's like this
But you wanted me to
Just deal with it

So, if you were dead or still alive
I don't care I don't care
And all the things you left behind
I don't care I don't care
I never cared a bit
I never cared a bit
You won't be there for me
You won't be there for me
If you were dead or still alive
I don't care I don't care
And all the things you left behind
I don't care I don't care
If you were dead or still alive
I don't care
(I never cared a bit)
I don't care
(I never cared a bit)
And all the things you left behind
I don't care
(You won't be there for me)
I don't care at all
