Apollo Four Forty, Pain Is A Close Up

Apollo Four Forty
Apollo 440
Pain Is A Close Up
Pain is a close up
And happiness a long shot
Pain is a close up
And happiness a long shot

Your consciousness is The only censorship Your consciousness is The only censorship

You wake up You shut down You wake up You shut down

Pain is a close up And happiness a long shot Pain is a close up And happiness a long shot

Love is a virus It breaks your system from within Love is a virus It breaks your system from within

Your consciousness is The only censorship Your consciousness is The only censorship

Time is a jet plane My life is burning up Time is a jet plane My life is burning up

Pain is a close up And happiness a long shot Pain is a close up And happiness a long shot

You wake up You shut down You wake up You shut down

Your consciousness is The only censorship Your consciousness is The only censorship
